

Saul wacht af en gelooft niet in de overwinning, want:

REBUS

|                                                                                          |                                                                                                 |                                                                                              |                                                                                           |                     |                                                                                     |                                                                                            |

Jonathan en zijn wapendrager komen in actie, want:

|                                                                                              |                                                                                              |                                                                                               |                                                                                            |                                                                                                |                                                                                            |
